Good morning Rotarians and Friends,

Rotary year starts in July and we are having our year 2016-2017's last beautification work.

And in July we will be resuming the work under new leadership. Anyway, our efforts will continue!

Please join us this Sunday from 9:30 AM. (Meter parkings are free on Sundays!)

Please wear your gloves and bring whatever cleaning tools you have or if not we have some for your use.

Usually the work-ends around 10:30 AM!

See you on Sunday!

Masao "Mike" Okamoto, AIA, LEED AP.
